Brief Interventions in Child Mental Health for Pediatric Clinicians – May 7, 2011 and June 4, 2011

A conference sponsored by the Maryland Chapter of the American Academy of Pediatrics

Maryland's AAP chapter sponsored a two-part conference designed to help health providers effectively combat mental health problems among their pediatric patients. Topics ranged from developing a behavior modification plan to brief interventions to enhance family communication, and from screening for mental health concerns to facilitating a mental health referral.
